REPORT ON SCHOOL OF EDUCATION

The Report of the Committee on the Establishment of a University School of Education has been approved in principle by the University Council.

The following are extracts of the Report: On the Need

“The significant contribution” (Fulton Report, 267) that is expected of this University’s graduates in the teaching of Chinese and other subjects in middle and secondary schools. The public has expressed anxiety over the dwindling supply of such teachers from sources outside Hong Kong. It is highly desirable for the Chinese University to produce them at an early date.

In order to delineate this demand, a simple questionnaire was sent to 107 middle/secondary schools in June, 1964. We learn from the responses that the number of teachers required will be more than the present system of professional training in Hong Kong can supply.

Besides the need of employers, we have taken into consideration also the number of Chinese University students who intended to choose teaching as their profession. The total is 161 for 1965.

“In view of the need expressed by the community in general, and by some employers and students in particular, we recommend that a School of Education be established by September, 1965. This is in harmony with the Fulton Commission’s recommendation to ‘set it up at an early stage.’”

On the Function  “We recommend that the School of Education should offer initially a one-year postgraduate course in teacher education leading to the Diploma in Education mainly for graduates of this University. A corollary is that the School should prepare mainly teachers using Chinese as the medium of instruction.

“We do not rule out, however, the possibility of providing facilities for advanced study and research in education leading to the award of higher degrees; and part-time study leading to a postgraduate certificate in education for selected graduate teachers in Hong Kong. But both categories should belong to a later stage of development.”

On the Size of Enrolment  “In view of the limited function recommended in Section II, it follows that the initial enrolment should be limited, and we recommend that the School should enrol 40 graduates from this University in 1965/66, and that the position should be reviewed in 1966/67 in the light of the actual demand for places by graduates and the employment rate.”

The Committee members were: Mr. H.T. Wu (Chairman), Mr. J. Canning, Mr. T.C. Cheng, Prof. N.K. Henderson, Dr. Ho Chung Chung, Dr. C.S. Yeung, Mr. Wai Chi, and Dr. C.C. Liang (Secretary). Mr. K.J. Atwell was also a member prior to his departure from the Colony on home leave.

On the recommendation of the Vice-Chancellor, the Council has appointed Mr. H.T. Liu, Registrar of the University, to be concurrently Director of the School of Education pending the appointment of a permanent Professor. The school will be housed on the third floor of Liu Chong Hing Bank Building on Nathan Road.
In early June, the Senate Committee on Research Policy and Post-graduate Training approved the formation of a Provisional Advisory Board of Studies. Members of the Board are: Mr. H.T. Wu (Chairman), Mr. T.C. Cheng, Prof. Chou Fa-kao, Dr. T.C. Ou, Dr. C.S. Tsang and Dr. S.T. Tsou. Members of the Board are: Mr. H.T. Wu (Chairman), Mr. T.C. Cheng, Prof. Chou Fa-kao, Dr. T.C. Ou, Dr. C.S. Tsang and Dr. S.T. Tsou. Mrs. Christine Wong of the Central Office is the Secretary. The terms of reference of the Board are to advise the Director of the School of Education on the course or courses of studies in the School; to recommend short lists of candidates for appointment in all grades to the APC; and to recommend external assessors for the appointment of full-time and part-time Lecturers and Assistant Lecturers.

The Senate Committee also approved the calendar of the new School:

September — Registration, organization and orientation;

Septem ber — Registration, organization and orienta tion;

Oct. 16-30 — School-practice in teams of three under supervision. Each team to take over the work of approximately one teacher. Three preceptorials each week;

December — Theoretical and academic studies for approximately 12 weeks;

April — School-practice in the light of previous experience and the theoretical and academic studies pursued in the previous four months. Team and preceptorial organization to be the same as before.

For the year 1965/66, the courses in the School of Education will be open to graduates of the University. Those who graduated in 1964 may also apply. Candidates will be interviewed in the middle of July and the final list of candidates to be admitted would be announced in late August.

NEW PRESIDENT OF NEW ASIA COLLEGE
Dr. OU TSUIN-CHEN

Dr. Ou Tsuin-chen was appointed President of New Asia College on July 1, 1965 in succession to Dr. Ch'ien Mu. Dr. Ou is by no means new to the College; he has been closely connected with it since its beginning in 1949. He taught at the College in its early years. After leaving the College for some time, he returned in January 1960 to serve as Vice-President. When the former President Dr. Ch'ien Mu began his leave in August 1964, Dr. Ou became Acting President of the College.

Dr. Ou, a native of Kiangsu Province, China, received his B.A. degree in 1924 from the National Southeastern University in Nanking, and his Docteur de L'Université de Paris in 1931. Since then, he has had a long career in the field of higher education.

For seven years he was Professor and Head of the Department of Education of National Peking University, for one year he was Chairman of the Faculty of Arts of Changsha Provisional University (later known as National Southwestern Associated University), for three years he was Professor of Education at National Central University, and for one year he was Dean of the Faculty of Arts of National Cheng Chi University. From 1938 to 1945 he was Director of Higher Education of the Ministry of Education, and in 1949 and then from 1954 to 1958, he was Vice-Minister of Education. In 1951, 1954 and 1958, he was a delegate to the General Conference of UNESCO. Since 1937, he has visited the United States and Europe several times, mainly on official missions. The last time he went to the United States was when he accepted an invitation of the University of Hawaii to take part in the Advanced Scholars Resident Research Programme of the East-West Centre, for a duration of five months, from September 1964 to February 1965.

Despite his very heavy teaching and administrative duties, Dr. Ou has been a productive writer. He has written in Chinese, French and English, and his publications include the following:

An Introduction to Logic (in Chinese), Shanghai: Chung Hwa Book Company, 1926.

SOCIAL WORK EDUCATION

A Board for the Selection of Undergraduates for Social Work Education for 1965/66 was appointed by the Academic Planning Committee on July 5, 1965. The Selection Board consists of:

Mr. H.T. Wu, University Registrar (Chairman)
Prof. P.V. Young, Director of University Studies in Social Work
Mr. Harold Ho, Chung Chi College
Mrs. Ho Tung Tye-Hing, New Asia College
Mr. N.H. Young, United College
Mr. Ho Kan Fai, United College
Miss Lee Hei-man, Chung Chi College
Mr. Steve S.C. Huang, University Assistant Registrar (Secretary)

The duty of the Board is to select students of all three Colleges, who have completed their second-year courses and taken the required prerequisites, to enter into the Departments of Social Work at either Chung Chi College or United College.

A test of one general paper will be conducted by the Board to assess applicants' academic standard as well as their proficiency in English and Chinese.

Both Chung Chi and United have a Department of Social Work which only offers third- and fourth-year courses leading to a degree of Bachelor of Social Science (B.S.Sc.). The nature of the Department of Social Work, like the Department of Journalism, is at present being developed. Students who are to be admitted into the Department of Social Work may apply for the several scholarships set up by various sources as well as the endowment of the Hong Kong and Shanghai Banking Corporation.

**NEW TEACHING METHODS**

**A TIMETABLE OF ACTION**

The University Boards of Studies have until August 1, 1965 to make definite recommendations to the Vice-Chancellor on the details for the implementation of new teaching methods. (See Special Supplement of University Bulletin, Vol. I, No. 12)

The Vice-Chancellor, in his statement to Senate, asked each University Board of Studies to work out the details of the following plan:

1. With all the written work required in small group teaching and with the Intermediate and Degree Examinations, each College should be given full flexibility to determine the achievement of the students during the four years of
College. (For example, in an extreme case, a teacher may find it possible to give no examinations at all in any one of the courses he teaches.)

(b) At the end of the second (Sophomore) year, the University will conduct an Intermediate Examination in the month of June.

(i) Subjects to be tested for each student: Chinese, English, a paper on his major subject, a paper on his minor subject, and a paper on his elective which may be General Education. (It should be noted that each paper is not a course examination, but one on a subject-field.)

(ii) The nature and form of the examination, and the minimum standard required should be worked out by each Board of Studies directly concerned, subject to the approval of the Senate.

(iii) Students sitting for the Intermediate Examination must be recommended by each College of the University.

(iv) Students who fail in one or two papers will be required to take at least three more years of residence before taking the Degree Examination. Upon the recommendation of the Board of Studies, however, some of these students may be given a supplementary examination in September of the year.

(v) Students who fail in more than one-half of the papers will be asked to leave the University.

(c) At the end of the third (Junior) year, the students will take the first part of the Degree Examination, given by the University, covering about one-third of the Degree papers.

(d) At the end of the fourth (Senior) year, the University will give the second part of the Degree Examination consisting of the other two-thirds of the papers. A written thesis may be required, this to be recommended by each Board of Studies for either all or some of the graduating students. In that event, the thesis may be regarded as a substitute for such part of the Degree Examination as determined by the Senate at the recommendation of the Board.

The implementation of the new teaching method will begin in September, 1965. The following is a chronological table of the entire development:

The Yale Glee Club, now in its second century, continues to expand the reputation which began in 1813. Later under Mr. Marshall Bartholomew's leadership, the group achieved national prominence by winning the National Championship in the Intercollegiate Glee Club contest in 1924 and 1925. Their visit to New Asia afforded an excellent opportunity for cultural interchange between students of Yale University and students of the Chinese University. The Glee Club sang twelve beautiful songs, including "Mother of Men," "Humble in My Soul," "Laughing Song," "Soon 'a Will Be Done," 2 Negro spirituals and 5 Yale student songs. The entertainment presented by the Chinese Music Club and the Music Club of New Asia was: "Moon over the Border Pass" (Ku-chi'm), "Wind, Thunder and Rain" (P'ip'a), "The Song of the Prairie" (Eh-li-hu), "The Boatman's Evening Song" (Ku-cheng), and "The Golden Serpents Dance in Frenzy" (P'ip'a).

The Glee Club, now in its second century, continues to expand the reputation which began in 1833. Much of the early growth and success of the Club was due to the efforts of Gustav Steckel, an outstanding Bavarian musician who joined the Yale faculty in 1855. Later under Mr. Marshall Barholomew, the group achieved national prominence by winning the National Championship in the Intercollegiate Glee Club contest of 1924 and 1925. Since then, both under the leadership of Mr. Barholomew and Mr. Heath, the Glee Club has made many tours abroad. The Glee Club's current visit to Hong Kong was its first in this area.

The University Bulletin of the Chinese University of Hong Kong is published and distributed free by the University Editorial Board; it is meant primarily for the University faculty and staff, but copies are also sent to friends of the University.

Address: C/o The Chinese University of Hong Kong, Hang Seng Bank Building, 15th Floor, 677, Nathan Road, Mongkok, Kowloon, Hong Kong.

新敎學方案推行過程

在一九六五年八月一日以前，大學系務會須將有關新敎學方法之意見提請中大校長審核（請參閱校刊第二卷第十二期特刊）。

李校長於其致大學敎務會之函中，曾請大學各系務會對於下列方案擬定實施細則：

① 各學院之學生在小組敎學中有寫作作業及須參與大學舉辦之中期考試與學位考試，各學院得自由決定如何測定該院學生四年來之成績。例如，在極特殊情形之下，教師對其所敎之任一科目，可不舉行考試。

② 大學於每年六月，舉行大學二年級終結之中期考試：
   (一) 每一學生必考科目為中文、英文、主修科試卷一、副修科試卷一及選修科一。通才敎育之學科亦可作選修科論。應請注意者，所稱試卷非指某課程之考試，而為系別科目。
   (二) 考試之性質、格式，及其最低標準，由各有關系務會擬定，呈請大學敎務會核准。
   (三) 參加中期考試之學生須由各學院提名。
   (四) 學生試卷中如有一門或兩門不及格者，則須再肄業三年後方准參加學位考試。但如經系務會提出，一部份未及格之學生得於同年九月參加補考。
   (五) 學生如有過半數之試卷不及格者，即勒令其退學。

③ 第三學年（三年級）終結時，學生須參加大學學位初段考試，其範圍約佔學位考試全部試卷三分之一。

④ 第四學年（四年級）終結時，學生須參加大學學位之第二段考試，其範圍約佔學位考試全部試卷三分之二。如系務會建議認為該系畢業班全體學生或若干學生得寫論文時，該論文得用以代替由系務會及經大學敎務會認可之某一部份之學位考試。新敎學法之實施將自一九六五年九月始。

敎育學院報告書

敎育學院籌設委員會之報告書業經大學校董會於原則上予以接納。該報告書之摘要如下:

需要性——「本大學之畢業生可為本港中高等各學校担任中文及其他科目敎員,此對本港社會,實有其重大貢獻(參看富爾敦報告書第二六七節)。目下港外師資來源,漸見枯竭,各界人士,莫不深盼本校能早日培植是項人才,以資補充。」

為明瞭本港師資供求之狀況,本會曾於一九六四年六月分函本港一百零七間中學,徵詢有關資料。就三十七間中學之覆信中已足證明本港師資人才需要之殷,殊非目下師資訓練制度所能供應。至一九六五年本校五成年銀之畢業生中,有志從事敎育者,當時所調查,為一百六十一人。

為適應本港社會之需要,兼顧若干學生之志趣,本會建議:宜依據富爾敦報告書之意見,盡速於一九六五年九月設立一敎育學院。

目的—

吾人認為敎育學院修業期間應為一年,畢業後可得敎育文憑,暫以招收本大學之畢業生為限,其主要目的則在訓練以中文講授之敎師。

本院將來尚可從事學士以上學位之深造,並予本港優秀敎師以半工半讀之機會,俾其得領硏究證書。但此兩點則屬於異日發展範圍,茲不贅及。

招生——「基於上述之情形,一九六五至六六年度初步招生則擬暫就本大學畢業生中選錄四十名。至一九六六至六七年度招生名額則另察是年度實際供求狀況再行酌定。」

該委會由中大校務主任胡熙德先生任主席,委員中有簡寧先生、鄭棟材院長、韓德遜敎授、何中中博士、王佶先生、曾昭森博士,秘書則由梁敬釗博士擔任。雅威先生在其未離港前,亦為該會委員之一云。

敎育學院院長在敎授未行聘定以前,經大學校長推薦並經校董會通過,由校務主任胡熙德先生兼任。

敎育學院之辦公地點將為九龍彌敦道五九四至六一號廖創興銀行大廈三樓。

於六月初,大學敎務會之「學術硏究方針與硏究生訓練小組」通過設立臨時「敎育學院學術諮詢委員會」,其委員為︰胡熙德先生(主席)、鄭棟材院長、周法高敎授、吳俊升院長、曾昭森博士,及周紹棠博士。由大學校務處行政助理王梁素雅女士任秘書。其工作目的乃在協助敎育學院院長設定有關課目事宜,並遴選各級敎職員送由敎務籌劃委員會審定,推薦校外評選委員以審查兼任及專任副講師之資格。

該硏究小組並通過新敎育學院之學曆如下:九月——辦理註冊與組織及新生入學指導;十月六至三十日——成立每三人小組,在督導下,開始敎學實習,每組担任敎師一人之敎學工作,每週小組討論三次;十二月起作爲期十二週之理論與學術硏究;四月——將前此所得經驗及四個月中所習之敎學理論與硏究之心得重行作第二次之敎學實習。其小組人數及討論次數與前此同。

一九六五至六六年度敎育學院招收新生就本大學之畢業生中取錄,六四年度之畢業生亦申請入學。考生將於七月中受面試,錄取名單將於八月底公佈。
