The emblem of the University is the mythical Chinese bird feng (鳳) which has been regarded as the Bird of the South since the Han dynasty. It is a symbol of nobility, beauty, loyalty and majesty. The University colours are purple and gold, representing devotion and loyalty, and perseverance and resolution, respectively.

The motto of the University is “博文約禮” or “Through learning and temperance to virtue”.

These words of Confucius have long been considered a principal precept of his teaching. It is recorded in the Analects of Confucius that the Master says, “The superior man, extensively studying all learning, and keeping himself under the restraint of the rules of propriety, may thus likewise not overstep what is right.” (Legge’s version of the Four Books)

In choosing “博文約禮” as its motto, the University is laying equal emphasis on the intellectual and moral aspects of education.

General Information
The University

Origin

The University has its origin in three post-secondary colleges: New Asia College (founded 1949), Chung Chi College (founded 1951), and The United College of Hong Kong (founded 1956), which drew, in their early days, a sizeable proportion of their teachers and some of their students from mainland China.

In 1957, these three Colleges came together to form the Chinese Colleges Joint Council with the objective of securing government recognition of their efforts in providing higher education for the young people of Hong Kong. In 1959, Mr. John S. Fulton (later Lord Fulton of Falmer) was invited to advise on the general lines of development for the three Colleges as a whole. In 1960, the government introduced the Post-Secondary Colleges Ordinance and Regulations, which approved financial support to the three Colleges with a view to raising their academic standards.

In 1961, a University Preparatory Committee, chaired by Dr. the Hon. Sir Cho-yiu Kwan, was appointed to advise on sites and buildings, and matters relating to the establishment of the University. A group of advisers from Britain and the US visited Hong Kong in the same year to advise the Colleges on the development of university level courses in arts, science, commerce, and social science. The report of these advisers was encouraging, and in 1962 the government appointed a commission under the chairmanship of Mr. John S. Fulton to consider and determine whether and how a Chinese university could be created from the three Colleges.

The Report of the Fulton Commission, known as the Fulton Report and published in April 1963, recommended the establishment of a new university. Shortly after its publication, the Report was approved in principle by the government. A Provisional Council was set up in June 1963, and The Chinese University of Hong Kong Ordinance and Statutes were enacted in September of the same year. On 17 October 1963 the University was formally inaugurated.
The Ordinance

In November 1975, the Chancellor of the University appointed an external commission to review the constitutional arrangements governing the University and its constituent Colleges. Lord Fulton of Falmer was again invited to serve as chairman of the commission.

The second Fulton Report was submitted to the Chancellor in March 1976 and published in May. The Report recommended important changes to the constitutional arrangements governing the University and the Colleges. Under the new arrangements proposed by the commission, the University would be responsible for academic and development policy, financial management, the matriculation of students, the appointment of staff, the determination of the curriculum, the conduct of examinations, and the award of degrees. The participation of senior academics in the governing bodies of the University would be strengthened. In addition, the Report recommended that the University should strive to strike a balance between ‘subject-orientated’ teaching and small group ‘student-orientated’ teaching, and that the latter should be entrusted to the Colleges. This ‘student-orientated’ teaching would be designed to build in the students habits and frames of mind required of experts in their chosen fields and to equip them with the necessary skills for meeting new challenges in a rapidly changing world. A new ordinance to give effect to the recommendations in the second Fulton Report was enacted in December 1976.

In 1986 the University received a generous donation from the Shaw Foundation (Hong Kong) Ltd. for the specific purpose of establishing a fourth College, Shaw College. The Ordinance and the Statutes were further revised to provide for its establishment, and it began admitting students in September 1988.

The University cherishes its college system and the vital roles played by its constituent Colleges. To cater for the addition of more than 3,000 undergraduate students upon reversion to a four-year undergraduate curriculum in 2012, the University decided to establish more Colleges. With very generous support from a number of patrons, the University established Morningside College and S.H. Ho College in May 2006, C.W. Chu College and Wu Yee Sun College in May 2007, and Lee Woo Sing College in October 2007. In July 2007, the University has by Ordinance, in accordance with a special resolution of the Council, declared Morningside College and S.H. Ho College as constituent Colleges of the University. In February 2008, an Ordinance for the declaration of C.W. Chu College, Wu Yee Sun College, and Lee Woo Sing College as constituent Colleges of the University was enacted by the Legislative Council.

The Ordinance and the Statutes of the University are printed in Part 1 of this Calendar.
Academic Structure and Policy

The Chinese University of Hong Kong is a comprehensive research university offering a wide range of full-time and part-time programmes which lead to bachelor’s degrees, master’s degrees, and doctorates.

There are eight Faculties (Arts, Business Administration, Education, Engineering, Law, Medicine, Science, and Social Science), and 59 departments/schools offering 84 major programmes and 83 minor programmes for undergraduate students.

Postgraduate programmes including 43 MPhil–PhD programmes, 31 doctoral programmes, 142 master’s programmes, seven postgraduate diploma programmes, and one postgraduate certificate programme are offered by the Graduate School through its 60 graduate divisions.

The Senate regulates instruction, education and research. The Faculties advise the Senate through the faculty boards on the programmes of study recommended by the departments/schools, which deliver disciplinary teaching. The Colleges, in turn, support the broader development of students as whole persons in addition to the provision of residential accommodation. All teaching staff and full-time undergraduate students, with a few exception of teachers belonging to research institutes or centres, belong to both a Faculty and to a College.

Undergraduate Studies

At its inception the University’s undergraduate curriculum was based on a combination of the credit unit system and the degree examination system. After a comprehensive review in the mid-1980s, the University decided to adopt a pure credit-unit-based curriculum structure. From 1991–92 onwards, greater flexibility was introduced into students’ selection of courses and pace of study.

Full-time Undergraduate Studies

Throughout the years the University has endeavoured to provide a wide variety of programmes to meet the changing needs of society. In 2022–23, four major and three minor programmes are introduced.

General Education

General Education plays a vital role in the University’s mission to provide a balanced undergraduate education for students. It equips students with the intellectual capacity for understanding critical issues, ideas, and values of humanity in modern society. It nurtures students to be educated persons capable of making informed judgment and meeting the challenges of the ever-changing world. Providing a firm foundation for the well-rounded intellectual development of students, it prepares them to be lifelong learners and engaged citizens with a global awareness.

The General Education Programme at CUHK is composed of the General Education Foundation, the ‘Four Areas’ of University General Education, and College General Education. The General Education Foundation and the ‘Four Areas’ of University General Education are administered by the Office of University General Education, while the College General Education programme is offered by constituent colleges, each with its distinctive mission and tradition.

Postgraduate Studies

Master’s programmes were first offered in 1966–67, and the number of programmes in 2022–23 is 142. Doctoral programmes were first introduced in 1980–81 and the number of programmes is 31 in 2022–23. MPhil–PhD programmes were first introduced in 2004–05, and the number of programmes is 43 in 2022–23. The Constituent Colleges

With the reorganization of the University following the enactment of The Chinese University of Hong Kong Ordinance 1976, the Boards of Trustees of the three original Colleges, viz. Chung Chi College, New Asia College, and The United College of Hong Kong, were reconstituted. Each college board is mainly concerned with the management of the movable property and of certain College buildings entrusted to it, as well as the promotion of scholastic and cultural activities of the College.

Each College is governed by an Assembly of Fellows chaired by the College Head/Master, and this assembly is responsible for making and implementing decisions on various matters relating to the College.

In January 1986 the University received a very generous donation from the Shaw Foundation (Hong Kong) Ltd. for the establishment of Shaw College with Sir Run Run Shaw as its patron. The Chinese University of Hong Kong (Declaration of Shaw College) Ordinance was enacted in July 1986. Shaw College admitted its first batch of students in 1988.

In 2006, the University received very generous donations from the Morningside Foundation and Morningside Education Foundation Ltd., and from The S.H. Ho Foundation Ltd. in support of its visions to enhance the collegiate system in anticipation of the surge in undergraduate enrolment in 2012 when the University reverts to a normative four-year curriculum. In May the same year, the University Council endorsed the establishing of two new Colleges and named them respectively Morningside College and S.H. Ho College.

In May 2007, C.W. Chu College and Wu Yee Sun College were established with generous donations from benefactors and Wu Yee Sun Charitable Foundation Ltd., respectively.

In October 2007, the University Council further approved the establishment of Lee Woo Sing College with very generous support from the Li Foundation (Bing Hua Tang).

To give legal effect to the establishment of the five new Colleges, The Chinese University of Hong Kong (Declaration of Morningside College and S.H. Ho College as Constituent Colleges) Ordinance was enacted in July 2007, and The Chinese University of Hong Kong (Declaration of C.W. Chu College, Wu Yee Sun College and Lee Woo Sing College as Constituent Colleges) Ordinance was enacted in February 2008.
Chung Chi College

Chung Chi College was founded in 1951 by representatives of Protestant Churches in Hong Kong, inheriting the educational mission of the 13 Christian universities in mainland China. The College moved to its permanent site in Ma Liu Shui in 1956 and was incorporated as one of the constituent Colleges of CUHK in 1963.

Integrating Christianity and Chinese cultures, the College endeavours to cultivate love for humanity, freedom and inclusiveness, nurture talent with insightful knowledge, a liberal attitude and global horizon. The College organizes diversified local and overseas experiential learning programmes, ranging from art and culture, language study, to career development, community service and leadership. The College General Education, which includes the Service-Learning Programme and the Exploration and Discovery Study Scheme, etc., fosters thinking and learning from multiple perspectives, and extends students' horizon stretching beyond the scope of their major and minor studies. Moreover, scholarships are set up to recognize students' outstanding achievements in academics and balanced education, etc., while the award schemes promote their creativity and potential exploration.

Situated near the MTR station, the campus was designed in a manner that blends with its beautiful natural surroundings. Elements of Christian traditions and heritage as well as the liberal attitude and respect to diverse religions are found. Chung Chi’s motto In Pursuit of Excellence means the continuous strive to improve themselves for serving the society in the best way possible.
New Asia College

New Asia College was founded in 1949 by Mr. Ch’ien Mu and a group of scholars from mainland China. It aims to promote traditional Chinese culture with the complement of Western academics, so that students can deepen their understanding of traditional Chinese culture and at the same time acquire the knowledge and skills needed in modern society.

In order to promote cultural exchanges and broaden students’ horizons, the College has established a series of study and exchange programmes where students can participate in summer courses or one-term/one-year exchange programmes at world renowned institutions at home or abroad such as Yale University and Peking University.

Each year, the College organizes a number of academic and cultural lectures and activities, including the ‘Ch’ien Mu Lecture in History and Culture’ and the ‘Yu Ying-shih Lecture in History’. In 2013, the ‘New Asia Young Scholars Scheme’ was launched to encourage students to pursue all-round development as well as to learn and promote Chinese culture.

A wide range of College scholarships are awarded to students with outstanding performances or improvements in their studies, social services and extra-curricular activities. Bursaries are offered to those with financial difficulties. The College currently has around 3,400 students, and implements the ‘Guaranteed One-year Residence Scheme’ so that every student has the chance to enjoy hostel life.
United College

With the motto *Make One’s Virtues Shine and Renew the People*, and the spirit of ‘Together We Innovate, United We Advance’, United College sets out to provide a good learning environment, whole-person education and pastoral care as well as spiritual enhancement of its students.

United College places strong emphasis on whole-person education and broadening the perspective of its students and enhancing their sense of social responsibility with a wide range of activities. Students are given ample opportunities to participate in overseas study tours and service learning programmes under the College’s Globe-oriented Active Learning (GOAL) Programme through a wide range of scholarships. The College also organizes a Service Learning Internship Programme (SLIP) to provide internship opportunities for students to work in the overseas NGOs.

Various academic, social service and sports scholarships, awards and grants are established by the College, including the Hostel Residence Grant, Off-campus Residence Grant, First-in-the-family Tertiary Education Admission Scholarship, etc. In 2022–23, the total number of the College’s scholarships, awards and financial aid is over 1,800 awards and the total value reaches HK$10 million.

To reach more students and provide support and assistance to them, the College strives to work on Student Wellness Programme and Career Development Facilitation Scheme. In collaboration with the College Alumni Association, Mentorship Programme and Internship Scheme are organized for students.

The College is situated on a beautiful campus with four student hostels which accommodate 1,288 students. Construction of the fifth student hostel is in progress and it is estimated to be completed in 2025 which will provide an additional 250 hostel places for students. The campus also provides a library, a gymnasium, a physical fitness room, a microcomputer laboratory and a creative media studio, non-residential halls, etc., for all students.
Shaw College

Shaw College was established in July 1986 through the generosity of Sir Run Run Shaw, a world-renowned philanthropist who kindly accepted an invitation to become the Founding Patron of the College.

The College motto, *Xiude Jiangxue*, is taken from a Confucian saying that highlights the cultivation of virtue and pursuit of knowledge. The College founding aspiration is *Learning, innovation, and benefitting humankind*.

Shaw College offers a wide variety of college life, student development programmes, experiential learning, service learning, general education courses, College assemblies, Shaw Prize lectures, distinguished scholars lectures, etc., designed to help students adjust to university life and have whole person development, and to nurture them to become global citizens and future leaders.

Through scholarship, awards and financial assistance, the College recognizes academic and non-academic achievements of students in academic excellence, outstanding performance in extra-curricular activities, community service, sports, leadership and talents, as well as supports students with financial need.
Morningside College was established in 2006 with a generous and imaginative donation from the Morningside Foundation. Morningside is fully residential and accommodates 300 students. Students take rigorous general education courses in seminar settings conducive to discussion, discursive writing and debate. These courses are designed to sharpen their intellectual acumen and equip them with the ability to engage in independent, reflective and critical thinking.

The College students value ideas, diversity, creativity, individuality, and civic responsibility. The Morningside student body is one of the most diverse student bodies at the University, with residents from many countries and regions. College fellows and distinguished visitors also contribute time, energy and thought to enriching college life. The College aims to help students to develop the values, intellectual breadth and practical skills needed to play leading roles in a wide range of disciplines and professions.

A sense of social responsibility and engagement is central to the Morningside ethos. All of the students take an active part in community service activities throughout their university years. These and other activities lead them to a deeper understanding of themselves and of how they can make a positive impact on the world.
S.H. Ho College

S.H. Ho College was founded in 2006, with a generous donation from The S.H. Ho Foundation. The College admitted its first cohort of students in August of 2010 and accommodates 600 students on a fully residential and communal dining basis. It draws its motto, *Culture, Morals, Devotion and Trustworthiness*, from *The Analects of Confucius*, as these qualities are vital in nurturing prominent leaders who serve the community.

Sitting at the heart of CUHK, the College campus is located on University Avenue. It is within easy walking distance of the University Station. The two student hostels, Ho Tim Hall and Lee Quo Wei Hall—each comprising 300 hostel places, music room, fitness room, learning commons, well-being development space ‘The Wells’, multi-purpose student hub and reading room ‘The Oasis’, play room and grass field—are together home to 600 students.

To enable students to experience different cultures, acquire language skills and explore their own identities, S.H. Ho College offers a variety of overseas experience programmes. The College strives to achieve the goal that above 80% of its students have overseas experiences. This will be achieved by means of exchange programmes, summer study abroad programmes, summer language study programmes, cultural visits and service-learning.

Prof. Vincent C.T. Mok is the Master of the College. He is currently Mok Hing Yiu Professor of Medicine, Division of Neurology, Department of Medicine and Therapeutics, CUHK. Professor Mok is also the Director of Therese Pei Fong Chow Research Centre for Prevention of Dementia, and the Director of Margaret K.L. Cheung Research Centre for Management of Parkinsonism. He serves as the Secretary of the Neurology Specialty Board, Hong Kong College of Physicians, and a member of the Expert Committee on Clinical Events Assessment Following COVID-19 Immunization, the Government of HKSAR.
C.W. Chu College

Founded in 2007, C.W. Chu College is named after Dr. Chu Ching-wen (1906–1996), a prominent industrialist and a remarkable philanthropist who spent the larger part of his career in Hong Kong. The values which the late Dr. Chu exemplified are encapsulated in the College motto *Cultus et Beneficentia* (cultivating oneself and benefitting the community). The vision statement of the College embodies four elements: *intimate, international, intellectual, involved*, and aims to nurture graduates with leadership, generosity, intellectual clarity and morality.

With a student membership of only 300, the College places strong emphasis on student-teacher interactions. It offers four years of undergraduate residence, and communal dining three times a week, catalyzing students to build enduring bonds. The College admits no more than 75 students per year, with an expectation of 35% (including incoming exchange students) coming from outside Hong Kong. College fellows and teachers likewise come from many different backgrounds, enabling students to experience and share multicultural perspectives. Students broaden their horizon and enrich their social exposure through the mentorship scheme, which extends and realizes the vision and mission of the College. Mentors are experienced and leading figures from all walks of life, including a ready network of Chu Scholars, and will offer advice and guidance on students’ personal development.
Wu Yee Sun College

Wu Yee Sun College was established in 2007 with the generous support of Wu Yee Sun Charitable Foundation Limited.

The College motto is *Scholarship and Perseverance*, which is extracted from ‘Chapter 20’, *The Doctrine of the Mean*. The College aims to broaden students’ horizons (scholarship) and encourage them to forge ahead (perseverance) in making contributions to society and leading a productive and rewarding life.

In support of the College mission, *Entrepreneurial Spirit with Social Responsibility*, the College creates an intimate and dynamic learning atmosphere to drive the development of social entrepreneurship among the student—a passion for creativity and innovation, and an acumen in pursuing new projects and ideas, not just for personal gain but for the common good.

House of Sunny Living and Creativity Laboratory are the unique facilities of the College, which are launched to promote healthy living styles and to nurture the creativity among students respectively. Diversified experiential learning is one of the characteristics of the College. Students can also learn through general education programme focusing on sustainability, cultural and overseas exchange programmes to broaden their horizons, service-learning programmes to serve and contribute to society, internship and mentorship programmes to share their experience with peers.

The College has approximately 1,300 students in total, with about 300 students joining us every year. Students are guaranteed one year of hostel residence in four years of study to enjoy vibrant college life.
Lee Woo Sing College was established in 2007 with very generous support from the Li Foundation (Bing Hua Tang).

The motto of Lee Woo Sing College, *Wisdom, Humanity, Integrity, Harmony* highlights the cultivation of virtue and pursuit of knowledge. The emblem of the College is made up of three ancient Chinese characters—people, mountain, and harmony—emphasising the interaction with the nature, and maintaining a harmonious culture. The College provides various experiential learning opportunities to facilitate the whole-person development of students. It includes a wide-range of interdisciplinary and student-oriented general education courses, various academic and cultural co-curricular activities, such as overseas exchange and mentorship programmes.

The College’s beautiful campus is commanding the tranquil view of Tolo Harbour. The idea of the campus design is to make the buildings blend in with the nature. The campus implements advanced technologies, such as an integrated security system. There are comprehensive learning and leisure facilities, and four catering outlets on campus.

To advocate the importance of green life and sustainability, the College has implemented a number of new energy-saving technologies and measures on campus, such as the installation of the first Hong Kong in-room digital meter with Octopus payment system, and a high-efficiency CIGS solar energy system. Besides, the College’s Sky garden and Green Ambassador Programme help to raise students’ awareness of protecting the environment.
