# The Chinese University of Hong Kong Calendar 2024—2025

The emblem of the University is the mythical Chinese bird *feng* (鳳) which has been regarded as the Bird of the South since the Han dynasty. It is a symbol of nobility, beauty, loyalty and majesty. The University colours are purple and gold, representing devotion and loyalty, and perseverance and resolution, respectively.

The motto of the University is "博文約禮" or "Through learning and temperance to virtue".

These words of Confucius have long been considered a principal precept of his teaching. It is recorded in the *Analects* of Confucius that the Master says, "The superior man, extensively studying all learning, and keeping himself under the restraint of the rules of propriety, may thus likewise not overstep what is right." (Legge's version of the *Four Books*)

In choosing "博文約禮" as its motto, the University is laying equal emphasis on the intellectual and moral aspects of education.

## General Information

# The University

## Origin

The University has its origin in three post-secondary colleges: New Asia College (founded 1949), Chung Chi College (founded 1951), and The United College of Hong Kong (founded 1956), which drew, in their early days, a sizeable proportion of their teachers and some of their students from mainland China.

In 1957, these three Colleges came together to form the Chinese Colleges Joint Council with the objective of securing government recognition of their efforts in providing higher education for the young people of Hong Kong. In 1959, Mr. John S. Fulton (later Lord Fulton of Falmer) was invited to advise on the general lines of development for the three Colleges as a whole. In 1960, the government introduced the Post-Secondary Colleges Ordinance and Regulations, which approved financial support to the three Colleges with a view to raising their academic standards.

In 1961, a University Preparatory Committee, chaired by Dr. the Hon. Sir Choyiu Kwan, was appointed to advise on sites and buildings, and matters relating to the establishment of the University. A group of advisers from Britain and the US visited Hong Kong in the same year to advise the Colleges on the development of university level courses in arts, science, commerce, and social science. The report of these advisers was encouraging, and in 1962 the government appointed a commission under the chairmanship of Mr. John S. Fulton to consider and determine whether and how a Chinese university could be created from the three Colleges.

The Report of the Fulton Commission, known as the *Fulton Report* and published in April 1963, recommended the establishment of a new university. Shortly after its publication, the *Report* was approved in principle by the government. A Provisional Council was set up in June 1963, and The Chinese University of Hong Kong Ordinance and Statutes were enacted in September of the same year. On 17 October 1963 the University was formally inaugurated.

## The Ordinance

In November 1975, the Chancellor of the University appointed an external commission to review the constitutional arrangements governing the University and its constituent Colleges. Lord Fulton of Falmer was again invited to serve as chairman of the commission.

The second *Fulton Report* was submitted to the Chancellor in March 1976 and published in May. The *Report* recommended important changes to the constitutional arrangements governing the University and the Colleges. Under the new arrangements proposed by the commission, the University would be responsible for academic and development policy, financial management, the matriculation of students, the appointment of staff, the determination of the curriculum, the conduct of examinations, and the award of degrees. The participation of senior academics in the governing bodies of the University would be strengthened. In addition, the *Report* recommended that the University should strive to strike a balance between 'subject-orientated' teaching and small group 'student-orientated' teaching, and that the latter should be entrusted to the Colleges. This 'student-orientated' teaching would be designed to build in the students habits and frames of mind required of experts in their chosen fields and to equip them with the necessary skills for meeting new challenges in a rapidly changing world. A new ordinance to give effect to the recommendations in the second *Fulton Report* was enacted in December 1976.

In 1986 the University received a generous donation from the Shaw Foundation (Hong Kong) Ltd. for the specific purpose of establishing a fourth College, Shaw College. The Ordinance and the Statutes were further revised to provide for its establishment, and it began admitting students in September 1988.

The University cherishes its college system and the vital roles played by its constituent Colleges. To cater for the addition of more than 3,000 undergraduate students upon reversion to a four-year undergraduate curriculum in 2012, the University decided to establish more Colleges. With very generous support from a number of patrons, the University established Morningside College and S.H. Ho College in May 2006, C.W. Chu College and Wu Yee Sun College in May 2007, and Lee Woo Sing College in October 2007. In July 2007, the University has by Ordinance, in accordance with a special resolution of the Council, declared Morningside College and S.H. Ho College as constituent Colleges of the University. In February 2008, an Ordinance for the declaration of C.W. Chu College, Wu Yee Sun College, and Lee Woo Sing College as constituent Colleges of the University was enacted by the Legislative Council.

The Ordinance and the Statutes of the University are printed in Part 1 of this *Calendar*.

## Academic Structure and Policy

The Chinese University of Hong Kong is a comprehensive research university offering a wide range of full-time and part-time programmes which lead to bachelor's degrees, master's degrees, and doctorates.

There are eight Faculties (Arts, Business Administration, Education, Engineering, Law, Medicine, Science, and Social Science), and 60 departments/schools offering 85 major programmes and 76 minor programmes for undergraduate students.

Postgraduate programmes including 44 MPhil-PhD programmes, 26 doctoral programmes, 149 master's programmes, seven postgraduate diploma programmes, and one postgraduate certificate programme are offered by the Graduate School through its 60 graduate divisions.

The Senate regulates instruction, education and research. The Faculties advise the Senate through the faculty boards on the programmes of study recommended by the departments/schools, which deliver disciplinary teaching. The Colleges, in turn, support the broader development of students as whole persons in addition to the provision of residential accommodation. All teaching staff and full-time undergraduate students, with a few exception of teachers belonging to research institutes or centres, belong to both a Faculty and to a College.

### ■ Undergraduate Studies

At its inception the University's undergraduate curriculum was based on a combination of the credit unit system and the degree examination system. After a comprehensive review in the mid-1980s, the University decided to adopt a pure credit-unit-based curriculum structure. From 1991-92 onwards, greater flexibility was introduced into students' selection of courses and pace of study.

#### *Full-time Undergraduate Studies*

Throughout the years the University has endeavoured to provide a wide variety of programmes to meet the changing needs of society. In 2024-25, one major and three minor programmes are introduced.

Programme Title	Faculty	Major/Minor
Aerospace Science and Earth Informatics & X Double Major Programme	Engineering, Science and Social Science	Major
Religion and Health	Arts	Minor
Applied Diversity Studies	Social Science	Minor
Global Communication	Social Science	Minor

### *General Education*

General Education plays a vital role in the University's mission to provide a balanced undergraduate education for all students. It equips students with the intellectual capacity for understanding critical issues, ideas, and values of humanity in modern society. It nurtures students to be educated persons capable of making informed judgment and meeting the challenges of the ever-changing world. Providing a firm foundation for the well-rounded intellectual development of students, it prepares them to be lifelong learners and engaged citizens with a global awareness.

The General Education Programme at CUHK is composed of the General Education Foundation, the 'Four Areas' of University General Education, and College General Education. The General Education Foundation and the 'Four Areas' of University General Education are administered by the Office of University General Education, while the College General Education programme is offered by constituent Colleges, each with its distinctive mission and tradition.

### ■ **Postgraduate Studies**

Master's programmes were first offered in 1966-67, and the number of programmes in 2024-25 is 149. Doctoral programmes were first introduced in 1980-81 and the number of programmes is 26 in 2024-25. MPhil-PhD programmes were first introduced in 2004-05, and the number of programmes is 44 in 2024-25. ## Morningside College

Morningside College was established in 2006 with a generous and imaginative donation from the Morningside Foundation. Morningside is fully residential and accommodates 300 students. Students take rigorous general education courses in seminar settings conducive to discussion, discursive writing and debate. These courses are designed to sharpen their intellectual acumen and equip them with the ability to engage in independent, reflective and critical thinking.

The College students value ideas, diversity, creativity, individuality, and civic responsibility. The Morningside student body is one of the most diverse student bodies at the University, with residents from many countries and regions. College fellows and distinguished visitors also contribute time, energy and thought to enriching college life. The College aims to help students to develop the values, intellectual breadth and practical skills needed to play leading roles in a wide range of disciplines and professions.

A sense of social responsibility and engagement is central to the Morningside ethos. All of the students take an active part in community service activities throughout their university years. These and other activities lead them to a deeper understanding of themselves and of how they can make a positive impact on the world.

## S.H. Ho College

S.H. Ho College was founded in 2006, with a generous donation from The S.H. Ho Foundation. The College admitted its first cohort of students in August of 2010 and accommodates 600 students on a fully residential and communal dining basis. It draws its motto, *Culture, Morals, Devotion and Trustworthiness*, from *The Analects of Confucius*, as these qualities are vital in nurturing prominent leaders who serve the community.

Sitting at the heart of CUHK, the College campus is located on University Avenue. It is within easy walking distance of the University Station. The two student hostels, Ho Tim Hall and Lee Quo Wei Hall—each comprising 300 hostel places, music room, fitness room, learning commons, well-being development space 'The Wells', multi-purpose student hub and reading room 'The Oasis', play room and grass field—are together home to 600 students.

To enable students to experience different cultures, acquire language skills and explore their own identities, S.H. Ho College offers a variety of overseas experience programmes. The College strives to achieve the goal that above 80% of its students have overseas experiences. This will be achieved by means of exchange programmes, summer study abroad programmes, summer language study programmes, cultural visits and service-learning.

Prof. Vincent C.T. Mok is the Master of the College. He is currently Mok Hing Yiu Professor of Medicine, Division of Neurology, Department of Medicine and Therapeutics, CUHK. He is also the Co-Director of Charles Kao CUHK BEAT AD Service; the Director of Lau Tat-chuen Research Centre of Brain Degenerative Diseases in Chinese; the Director of Margaret K.L. Cheung Research Centre for Management of Parkinsonism; the Director of Therese Pei Fong Chow Research Centre for Prevention of Dementia; the Secretary of the Neurology Specialty Board, Hong Kong College of Physicians; and a member of the Expert Committee on Clinical Events Assessment Following COVID-19 Immunization, the Government of HKSAR. Professor Mok was awarded the Chief Executive's Commendation for Community Service in 2022.

## C.W. Chu College

Founded in 2007, C.W. Chu College is named after Dr. Chu Ching-wen (1906–1996), a prominent industrialist and a remarkable philanthropist who spent the larger part of his career in Hong Kong. The values which the late Dr. Chu exemplified are encapsulated in the College motto *Cultus et Beneficentia* (cultivating oneself and benefitting the community). The vision statement of the College embodies four elements: *intimate, international, intellectual, involved*, and aims to nurture graduates with leadership, generosity, intellectual clarity and morality.

With a student membership of only 300, the College places strong emphasis on student-teacher interactions. It offers four years of undergraduate residence, and communal dining three times a week, catalysing students to build enduring bonds. The College admits no more than 75 students per year, with an expectation of 35% (including incoming exchange students) coming from outside Hong Kong. College fellows and teachers likewise come from many different backgrounds, enabling students to experience and share multicultural perspectives. Students broaden their horizon and enrich their social exposure through the mentorship scheme, which extends and realises the vision and mission of the College. Mentors are experienced and leading figures from all walks of life, including a ready network of Chu Scholars, and will offer advice and guidance on students' personal development.

## Wu Yee Sun College

Wu Yee Sun College was established in 2007 with the generous support of Wu Yee Sun Charitable Foundation Limited.

The College motto is *Scholarship and Perseverance*, which is extracted from 'Chapter 20', *The Doctrine of the Mean*. The College aims to broaden students' horizons (scholarship) and encourage them to forge ahead (perseverance) in making contributions to society and leading a productive and rewarding life.

In support of the College mission, *Entrepreneurial Spirit with Social Responsibility*, the College creates an intimate and dynamic learning atmosphere to drive the development of social entrepreneurship among the student—a passion for creativity and innovation, and an acumen in pursuing new projects and ideas, not just for personal gain but for the common good.

House of Sunny Living and Creativity Laboratory are the unique facilities of the College, which are launched to promote healthy living and to nurture the creativity among students respectively. Diversified experiential learning is one of the characteristics of the College. Students can also learn through general education programme focusing on sustainability, cultural and overseas exchange programmes to broaden their horizons, service-learning programmes to serve and contribute to society, internship and mentorship programmes to share their experience with peers.

The College has approximately 1,300 students in total, with about 300 students joining us every year. Students are guaranteed one year of hostel residence in four years of study to enjoy vibrant college life.

## Lee Woo Sing College

Lee Woo Sing College was established in 2007 with very generous support from the Li Foundation (Bing Hua Tang).

The motto of Lee Woo Sing College, *Wisdom, Humanity, Integrity, Harmony* highlights the cultivation of virtue and pursuit of knowledge. The emblem of the College is made up of three ancient Chinese characters—*people*, *mountain*, and *harmony* which embraces nurturing leaders, emphasising the interaction with the nature, and maintaining a harmonious culture. The College provides various experiential learning opportunities to facilitate the whole-person development of students. It includes a wide-range of interdisciplinary and student-oriented general education courses, various academic and cultural co-curricular activities, such as overseas exchange and mentorship programmes.

The College's beautiful campus is commanding the tranquil view of Tolo Harbour. The idea of the campus design is to make the buildings blend in with the nature. The campus implements advanced technologies, such as an integrated security system. There are comprehensive learning and leisure facilities, and four catering outlets on campus.

To advocate the importance of green life and sustainability, the College has implemented a number of new energy-saving technologies and measures on campus, such as the installation of the first Hong Kong Smart Meter with mobile energy monitoring app, a high-efficiency CIGS solar energy system and fresh air systems. Besides, the College's Green Ambassador Programme help to raise students' awareness of protecting the environment.
